## ***Show Me the Money Day Connects Michigan Residents with Financial Resources***

Lansing, MI – The Community Economic Development Association of Michigan (CEDAM) is pleased to announce the twenty-five communities across Michigan hosting 2016 Show Me the Money Day events. Each event will offer financial workshops and help participants connect with free income tax assistance, low-cost banking products, financial counseling, homebuyer education and other resources.

Show Me the Money Day began in 2011 in Lansing and Flint. Since then, many more communities have stepped up to host events, helping hundreds to access important financial resources at tax time. In 2015, Show Me the Money Day touched 1,300 Michigan residents in 15 communities. Consumers Energy, JP Morgan Chase, Citizens Bank, PNC Bank and State Farm generously sponsor the events statewide.

“This is the largest Show Me the Money Day yet,” said Megan Kursik, Michigan Communities for Financial Empowerment Coordinator at CEDAM. “It’s been exciting to watch the event grow, giving people across Michigan a stronger sense of hope for their financial future.”
